We Care For You, Inc.

Greetings Hav A Sole Friends,

I think we can all agree that it has been a strange few years, and after Hav A Sole was forced to cancel two events due to the pandemic, I am ecstatic to be able to finally get to celebrate with you this year at our Dream Out Loud Benefit.

When I started giving away my sneaker collection I never imagined that a grass roots endeavor would take me to the most unexpected places and put me in front of such successful entrepreneurs or that it would challenge me in ways I never dreamed possible. I was just a guy who loved sneakers to the point, I had collected hundreds of them. But in my early thirties when I was struggling to find meaning in my life, I had what some would call an epiphany, when I realized we are here to serve. That's when I asked myself, "What can I possibly do to make the world a better place?" And only then, did I discover my purpose in creating Hav A Sole, an organization that has given out over 55,000 pairs of quality sneakers to the underserved. But let me say emphatically, it's always been more than just a pair of shoes. We here at Hav A Sole believe that kindness is the most radical act we can do to help another struggling being.

However, to do any of this, we had to find dedicated individuals who also believed in our mission. So, let me start by thanking this year's honorees, Jervay of We Care for You, Inc. who is also touching lives on the east coast by delivering shoes and has been there for Hav A Sole whenever we've needed help. And lastly, Steve Simon, an angel, and a friend, who I have a deep and profound respect for this man who has helped me in becoming a better version of myself. For this and so much more, we honor you. Thank you for your steadfast, guidance, and support.

Whether you have been following Hav A Sole from the beginning, or you are just learning about us now, I want to thank you for helping us Dream Out Loud. To all of our sponsors, partners, volunteers, and Board Members, I want to express my heartfelt gratitude for your continuous support. It takes a village and we couldn't do this without any of you.

With Love & Respect,

Rikki Mendias

DREAM OUT LOUD

HONORING STEVE SIMON

“Steve Simon is the big brother everyone wishes they had. For as long as we can remember, Steve has been a mentor and leader. Kind, compassionate, hard-working; he was, and continues to be, a north star for the Simon sisters. In short, the ultimate mensch. So, it’s no surprise that Steve is receiving this honor because such behavior is simply an extension of who he is. A family-man first and a businessman second, Steve’s, “other-centered,” approach naturally lends itself to helping others. The people and mission of Hav a Sole have taken residence in his heart. Steve has gone on to use his business acumen, and his professional sports affiliations, to support Hav A Sole’s growth.”

Rachel, Sarah & Jenni Simon

In 2014, when Jervay Galberth came home from serving his country in Afghanistan, he wasn't quite sure what he wanted to do next, but what he did know is that he wanted to do something for his community. So, not long after he returned to North Carolina, he started a nonprofit called We Care for You Inc. Raised by a single mother, he recalled how a new pair of shoes boosted his confidence, so he decided to give quality sneakers to marginalized children living in low-income areas.

A few years later, when Jervay learned that Hav A Sole was running a similar program and the founder Rikki Mendias was visiting Charlotte, Jervay asked if he could join Rikki in giving out shoes. That was the beginning of a special friendship between the two men that has deepened over time. Every year since their first meeting, Jervay meets Rikki on his annual Hav A Sole road trip.

Just recently, at an event in Portland, Oregon, Jervay met an elderly man who was shivering from the cold. He didn't hesitate to take off his own sweatshirt and give it to the man. That selfless gesture is just one example of Jervay's caring, and compassionate nature and one of the reasons why we have chosen to honor this kind, gentle soul at our event.

Dear Mama Sole,

My heart is overflowing with gratitude and love for everything you have done for me and Hav A Sole. Your support, dedication, and tireless efforts have played an integral role in helping us achieve our goals.

From the very beginning, you believed in me and my vision for the organization. You were always there to lend a listening ear, provide advice, and offer your help in any way you could. I could not have done this without you.

Your marketing skills have been invaluable in promoting our organization and raising awareness about the Hav A Sole mission. Your creativity and innovative ideas have helped us reach new audiences and engage with our community in meaningful ways.

But more than anything, I want to thank you for being my biggest supporter. Your unwavering love and encouragement have given me the strength and motivation to keep going, even during the toughest of times.

So, from the bottom of my heart, I want to say thank you, Mom. Thank you for your dedication, your hard work, and your love. You are truly an amazing person, and I am blessed to have you as my mother and my friend.

With love and gratitude,
Rikki

HAV A SOLE

Hav A Sole is a Los Angeles-based nonprofit whose mission is to deliver shoes to its most marginalized populations. Founder, Rikki Mendias is passionate about the organization because as a young boy he lived in a shelter with his mother who couldn't afford to buy him a pair of shoes. Then one day, a kind woman bought Rikki two new pairs of Vans, which would later lead to a sneaker addiction that would spiral out of control.

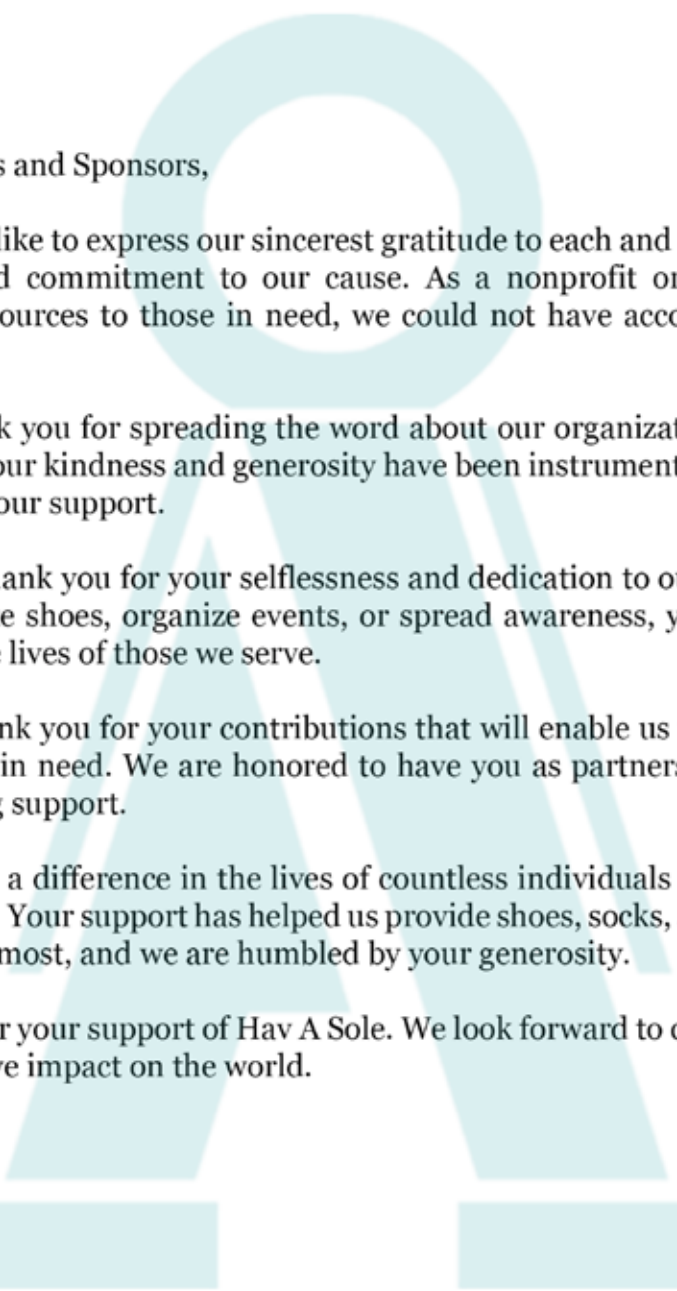

By the time Rikki was in his early thirties, no matter how many sneakers he bought he still felt lost and depressed. That's when he thought back to when he received those Vans and decided to give away his shoe collection to those in need. Thanks to the kindness of one woman who made a difference in a 10-year old boy's life, in eight years, Hav A Sole has paid it forward by donating over 55,000 pairs of quality shoes and has been featured on Vice, Good Day LA, and The Ellen Show.

HAV A SOLE FOR SUCCESS

Hav A Sole for Success is a six-week paid internship program where the youth are immersed in the inner workings of Hav A Sole as a nonprofit organization. During this time, the interns learn everything from inventory control, marketing, Google sheets, and included in their daily activities are workshops such as music production, art therapy, yoga, financial planning and resume building. By the end of their internship they get the unique opportunity to plan their own shoe giveaway event in hopes of instilling a deeper sense of pride in their community. Encouraged to "Dream out loud", the interns are also given the space to share their passions and utilize the already established network surrounding Hav A Sole. Mentoring young people enables them to reach their full potential, but many inner-city youth never have that experience. That's why Hav A Sole for Success is committed to making sure every participant in our program receives the individualized attention they deserve.

Dear Friends, Volunteers and Sponsors,

We at Hav A Sole would like to express our sincerest gratitude to each and every one of you for your unwavering support and commitment to our cause. As a nonprofit organization dedicated to providing shoes and resources to those in need, we could not have accomplished what we have without your help.

To our Friends, we thank you for spreading the word about our organization and for encouraging others to get involved. Your kindness and generosity have been instrumental in our success, and we are forever grateful for your support.

To our Volunteers, we thank you for your selflessness and dedication to our mission. Whether you have helped us distribute shoes, organize events, or spread awareness, your efforts have made a significant impact on the lives of those we serve.

To our Sponsors, we thank you for your contributions that will enable us to expand our reach and serve even more people in need. We are honored to have you as partners in our mission and are grateful for your ongoing support.

Together, we have made a difference in the lives of countless individuals who would otherwise go without proper footwear. Your support has helped us provide shoes, socks, and other essential items to those who need them most, and we are humbled by your generosity.

Once again, thank you for your support of Hav A Sole. We look forward to continuing our work with you and making a positive impact on the world.

Rikki Mendias

Hav A Sole would like to pay a special tribute to all our sponsors, friends and family members who work in the field of mental health or addiction and personally thank you for your hard work, dedication and commitment to helping those in need. Your work, although extremely hard, is making a profound difference in the lives of so many people who are struggling with mental health issues out there today.

Your compassionate, loving care to all the families in order that one individual might find their way onto a path of recovery will have a profound ripple effect on many generations to come.

We know that it takes a special, purpose-driven individual who is kind, understanding and committed to do the work you do. and Hav A Sole wants to thank each of you for your service.
